
A. Arrival time
Cumulative probability
Minutes after midnight
NHTS holdout
Synthetic
B. Departure time
Cumulative probability
Minutes after midnight
NHTS holdout
Synthetic
C. Connection duration (h)
Cumulative probability
Connection duration (h)
NHTS holdout
Synthetic
D. Inbound distance (km)
Cumulative probability
Inbound distance (km)
NHTS holdout
Synthetic
E. Quantile agreement
Synthetic standardized quantile
Holdout standardized quantile
arrival min
departure min
connection hours
inbound distance km
F. Distribution diagnostics
arrival min
departure min
connection hours
inbound distance km
return distance km
KS threshold
Kolmogorov–Smirnov statistic
